EC Type Examination Certificate

No. CE 518878

Product Specification

Serenity DPC range

Models: **Serenity DP**
 Serenity DPC Phone
 Serenity DPC Radio
 Primero DPC
 FreeCom 7000
 FreeCom 7100

Product type: Hearing protectors, level-dependent ear plugs.

Technical specifications: EN 352-2:2002 Hearing protectors. Ear-plugs.
EN 352-7:2002 Hearing protectors. Level-dependent ear-plugs.

Classification: Custom moulded ear-plugs.

Description: The Serenity DPC models and the Primero DPC are a range of dynamic level-dependent ear-plugs designed for protection against noise associated with industrial environments. All models are available as custom moulded ear-plugs or as ear-plugs that incorporate a generic shell fitted with either foam or silicone ear tips. The overall range includes versions that can be used with a communication system, these versions including a model incorporating a boom microphone and a model incorporating an in-ear microphone. Any Certification requirements of the communication systems are not referenced on this Certificate.

Model	System Details
Serenity DP	Basic system.
Serenity DPC Phone	For use with mobile phones.
Serenity DPC Radio	For use with portable radios - boom microphone.
Primero DPC	For use with portable radios - in-ear microphone.
FreeCom 7000	For use with aviation radios - boom microphone.
FreeCom 7100	For use with aviation radios - boom microphone with intercom volume control.
